NEXT GENERATION
BIGGER, TOUGHER, SMARTER

FOR A PURPOSE-DRIVEN LIFE

The Ford Ranger® pickup is a natural-born worker with best-in-class¹ towing, payload and engine.

The enhanced towing and impressive payload capabilities of the Ranger brand are improved by a raft of available new driver-assist technologies. It has also undergone global testing from sub-zero to -50° Celsius temps to make sure it's robust, rugged and capable. Plus, the high-strength-steel frame and steel body ensure the next-generation Ranger truck is Built Ford Tough.® And when it comes to versatility, the Ranger pickup offers integrated rear bumper steps and a wider load box that easily accommodates Euro-sized pallets and a tailgate workbench to help make tasks easy.

WILDTRAK™ Luxe Yellow. Available equipment and accessories.

¹. Class is Midsize Pickups.

REAL-WORLD TECH

The Ford Ranger® pickup is equipped with next-level, personalized technology.

Take voice-activated SYNC® 4¹ with wireless Apple CarPlay® and Android Auto™ compatibility.² Navigate and control your apps on the available 10.1" or 12.1" touchscreen¹ or by using simple voice commands. This large integrated touchscreen puts control at your fingertips, while a new digital instrument cluster lets you customize the information you want to see. The available Selectable Drive Modes work effortlessly for on-the-fly confidence over all terrains. Plus, the available Dual-Zone Climate Control separates cabin temps for driver and front passenger, while available wireless charging³ allows you to charge your compatible smartphone without using a cable.

Available Selectable Drive Modes

Available 12.1" Touchscreen

Instrument Panel Pull-Out Cupholder

Wireless Charging Pad³

¹. Don't drive while distracted or while using handheld devices. Use voice-operated systems when possible. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. ². Requires phone with active data service and compatible software. SYNC 4 does not control 3rd-party products while in use. 3rd parties are solely responsible for their respective functionality. ³. Available Qi wireless charging may not be compatible with all mobile phones. ⁴. Availability varies by market.

A Connected Experience⁴

Enabled by an embedded modem, Ranger is packed with smart functionality. Control it all with your voice, phone or available 10.1" or 12.1" touchscreen.

WILDTRAK™ Ebony leather-trimmed vehicle seating. Available equipment.

TERRAIN MADE EASY

The Ford Ranger® pickup was built for more than just a well-paved road. The new available Selectable Drive Modes feature gives you the freedom to optimize performance on a variety of road surfaces and conditions.¹ Feel free to move outside the lines.

XLT. Blue Lightning.

WILDTRAK™ Luxe Yellow.

Performed by professional driver.

1. Always consult the Owner's Manual before off-road driving, know your terrain and trail difficulty, and use appropriate safety gear.
